

Hyperboles

A hyperbole is an extreme exaggeration used for dramatic effect. Create some attention getting, original hyperboles to make a point effectively. Don't forget to use humor!

Example: It was so cold in her classroom that icicles were forming at the tip of her nose!

I was so hot _____

She was so tired _____

The runner was so fast _____

The baby cried so loud _____

I was so hungry _____

It rained so hard _____

I have so much homework _____

She talked so much _____

Name _____ Date _____
